

Heggerty Phonemic Awareness Implementation Guide

for instruction beginning halfway through the school year

This implementation guide is for classrooms implementing the Heggerty Phonemic Awareness curriculum after the start of the school year, including after the first quarter or trimester of instruction has been completed. We recommend the following sequence of the lessons for your students:

Pre – K Curriculum:

Weeks of Implementation	Heggerty PA Lessons to Teach	Skill Focus
Weeks 1- 2	Weeks 1- 2	Compound Words
Weeks 3 - 4	Weeks 5 - 6	Syllables
Weeks 5 - 6	Weeks 9 - 10	Body-Coda Blending Onset-Rime Segmenting
Week 7	Week 13	Review of Compound Words
Week 8	Week 15	Review of Syllables
Weeks 9 -10	Weeks 17 - 18	Blend & Segment Onset-Rime
Week 11	Week 19	Blend & Segment 2-phoneme words
Weeks 12+	Week 20 and continue week by week through the last week of your school year	

Teachers may choose to teach both review weeks for the phonological awareness skills in Weeks 13-18, if the students need the extra practice. This would add the lesson plans for Weeks 14 and 16 to the list.

Kindergarten Curriculum:

Weeks of Implementation	Heggerty PA Lessons to Teach	Skill Focus
Weeks 1 - 2	Weeks 1- 2	Compound Words
Weeks 3 - 4	Weeks 5 - 6	Syllables
Week 5	Week 9	Body Coda Blending; Onset-Rime Segmenting Add, Delete, & Substitute Initial Phonemes
Week 6	Week 11	Blend & Segment Onset-Rime
Week 7	Week 13	Phonemes for Blend & Segment
Weeks 8+	Week 14 and continue week by week through the last week of your school year.	

Primary Curriculum:

Weeks of Implementation	Heggerty PA Lessons to Teach	Skill Focus
Week 1	Week 1	Compound Words
Week 2	Week 3	Syllables
Week 3	Week 5	Onset-Rime Blend & Segment Add, Delete, & Substitute Initial Phonemes
Week 4	Week 8	Blend & Segment Phonemes Add, Delete, & Substitute Initial Phonemes
Week 5+	Week 10 and continue week by week through the last week of your school year.	

The graphic below represents the progress from Phonological Awareness to Phonemic Awareness in the curriculum, as shown for 2 of our 8 skills, Blending and Segmenting.
